Thanksgiving Holiday

So that our families, faculty and students may enjoy spending time with loved ones, there will be no classes during the Thanksgiving Holiday. Villa West is closed on Thursday, November 24th through Saturday, November 26th. (Our regular lessons will resume on Monday, November 28th.)

2012 Recital Performance!

The theme for our 2012 Recital Performance will be "Putting On The Ritz". This spectacular showcase will have beautiful costuming, vibrant routines and many smiles while highlighting the accomplishments of our shining star students. This year's Annual Recital Performance will be held on Sunday, June 3rd at the Sullivan School District Performing Arts Theater, a beautiful full capability facility seating 800.

Informative handouts regarding recital participation will be distributed to each studio family during the first week of December. We will then be announcing costume selections and placing costume orders. Participation in our Annual Recital is not mandatory or necessary in order to continue dance/acro training at Villa West. Participation is however, highly encouraged as it furthers the development of performance skills and builds great personal confidence for students.

Dance Shoe Orders

We are happy to supply students with proper shoes for class. Shoe orders will be taken monthly and placed on the 20th of every month. Please see the front desk if you are in need of shoe sizing, etc. Ballet shoes are \$15, Taps are \$19, Jazz are \$29, Jazz-Taps are \$39, and Hip Hop shoes are \$39.

Our Mission...
To teach children how to learn and accept challenges, to teach children how to understand and value others, to help children gain self confidence, to develop happy, healthy, responsible students— all by promoting excellence in a safe and loving atmosphere.

Lost & Found Items

As cold weather arrives, our lost & found items grow in numbers. Please check the office if you are missing items such as jackets, shoes, leg warmers, etc.

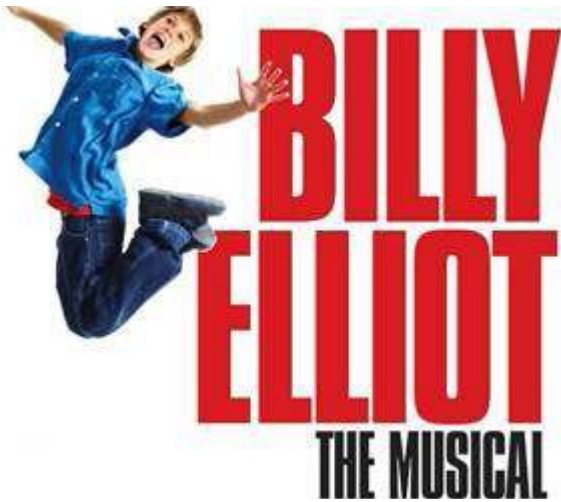

Stopping the Spread of Germs

We are working hard to keep our studio free of germs. Studio barres, door knobs, light switches and classroom equipment are sanitized daily. We sometimes involve the students help in disinfecting wipes between classes. There is germ-x, tissue and trash receptacles in every class room for students use. Thanks to everyone who has been helping our efforts in stopping the spread of germs.
